Online gambling refers to the act of playing games of chance or skill for money through the internet.

In 1996, the first online poker room, "Planet Poker," was launched.

In the United States, the industry faced several setbacks, as the U.

One of the major developments in the history of online gambling was the advent of mobile gambling.

This led to the development of mobile-friendly gambling apps and sites, which made it even easier for people to gamble online.

In response, many countries have implemented stricter regulations on online gambling, including the requirement for online casinos to obtain licenses and the implementation of measures to prevent problem gambling.

From the early days of online casinos in the 1990s to the mobile-friendly gambling apps of today, the industry has come a long way.
