There are many ways to make a parlay bet.

This parlay pays out \$59.

65 times the bet.

Both teams do not cover: Loss (-\$10)

The parlay increases risk but gains more over two individual bets.

Parlays can be more complicated and consist of more individual bets.

If one team doesn't cover their spread, the whole bet is lost.

If any bets in the parlay lose, then the entire parlay loses.
