Is sports betting legal in New Hampshire?

Yes.

New Hampshire became the 16th state to legalize sports betting when a bill was passed in 2019.

However, when it launched in December 2019, betting could only be done online through DraftKings Sportsbook.

Also, sports betting at state lottery terminals will be possible through Intralot.

Four other mobile betting operators may be authorized, but because of a split revenue deal, DraftKings has a monopoly in the state.

Unlike most states where the age limit is 21 years old, New Hampshire's minimum age to bet on sports is 18.
