THE POINTS GUY

5% back at Amazon and Whole Foods Market.

5% back on purchases made through Chase Travel (new).

2% back at restaurants.

Amazon Rewards Visa Signature Card

The regular Amazon Rewards Visa Signature Card is also getting a glow-up. Now with the simpler name Amazon Visa, it earns 3% back on purchases made through Chase Travel and 2% back on local transit and commuting, including rideshare. These are in addition to the existing earning structure.

And, just like its Prime sibling, you'll now be able to earn, view and redeem

the rewards you earn on your card daily rather than monthly.

2% back on local transit and commuting, including rideshare (new).

Loot boxes/loot crates

If you determine that your client has a gambling problem, an assessment will help you understand their gambling behaviours and any co-occurring mental health problems, medical conditions or environmental factors that may be contributing to the problem (St-Pierre & Derevensky, 2016).

If your client is experiencing co-occurring mental health problems, address these
