His England teammate Kieran Trippier has already served a ten-week suspension and a £70,000 fine for telling a friend about his impending transfer to Atletico Madrid in 2019.

The short and simple answer is NO.

This includes the Premier League, EFL, National League, Women's Super League and Women's Championship.

It also applies to the Northern, Southern and Isthmian leagues.

The ban covers everything from active bets on matches taking place as well as other football related stakes such as transfers and managerial hiring/sackings.

Can Premier League stars bet on other sports? Yes, they can.

A 2021 compact that gives the Seminole Tribe of Florida exclusive control of sports betting and other gambling expansions is moving forward after judges for the U.S.

5 billion deal between the state and the tribe, prompting questions about whether the compact will survive the courts, and what it means for the future of gambling in Florida.

Anyone 21 or older can bet on professional, collegiate, Olympic and international sports and athletic events.

Why so much red tape?

“

Passed overwhelmingly in 2018 by Florida voters, the amendment hinders the Legislature's ability to expand gambling in the state.

West Flagler Associates, the group that brought the initial lawsuit against the compact, could appeal up to the Supreme Court.

“It's going to be difficult to overcome.
