Football is played all year round worldwide, and offers a vast number of matches.

S.

You can bet on anything from simple single bets, such as the outcome of a match, to combination bets where you add multiple bets that can cover different types of football bets on the same bet slip.

There are literally hundreds of markets available on any given football match that you can bet on.

The most common type of bet in football betting is the match bet.

In this case, you lose your bet if the match ends in a draw.

Simple as that.

For example, you can bet on Arsenal starting a match against Leicester with a -1-goal handicap when they play in the Premier League.

Also, it is usually possible to implement on more bet types such as Total Goals (Asian Total), cards and corners.
